STANDARD FEATURES

-  The power headrest lifts your head, neck and shoulders for maximum support.
-  The upward lift offers convenient stand assist for getting in and out of the recliner.
-  The power lumbar enables you to personalize your comfort.
-  The footrest extension allows you to relax and stretch out completely.
-  The backrest moves up and down independently to help you find the perfect position.
-  Infinite positioning enables the backrest and footrest to move independently so that a variety of positions can be reached including raising your feet above your heart.
-  The ergonomically designed Toggle Remote has two programmable memory position buttons, performs the up/down, recline functions, and has a convenient USB charger port that allows you to charge your smart device.
-  Lithium battery backup ensures your recliner is operational when the power goes out.
